Profile

Dynamic Flutter developer with expertise in cross-platform app development, Firebase integration, and responsive UI design. I am skilled in custom widgets, animations, and state management to deliver high performance, user-centric applications.

Work Experience

Flutter Developer Intern

ITSOLERA pvt ltd-Islamabad

September 2024 to November 2024

- Designed and implemented dynamic UI components optimized for various screen sizes.
- Integrated Firebase Authentication for secure user login and profile management.
- Collaborated with cross-functional teams to enhance app performance and user experience.

Flutter Developer Intern

Gamican pvt ltd-Islamabad

June 2024 to August 2024

- Built custom widgets and animations to enhance user interaction and engagement.
- Contributed to the app's backend integration with Firebase Firestore for data handling.
- Implemented custom themes and UI to make the app visually appealing and accessible.
